TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

COMES NOW, Joyce W. Lindauer Attorney, PLLC, counsel for Debtor in the above-styled and numbered case and files this First and Final Application to Approve Payment of Fees and Expenses of Debtor's Counsel During Chapter 11 Case and in support thereof respectfully shows the Court the following:

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157(b)(2)(A) and 1334, and 11 U.S.C. §§ 331 and 330.

2. On November 19, 2019 (the "Petition Date"), Debtor commenced this bankruptcy case (the "Bankruptcy Case") by filing his voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code").

3. An order was entered authorizing the employment of Debtor's counsel.

4. An order converting this case to Chapter 7 was entered on April 16, 2020.

5. During the pendency of the Chapter 11 proceeding, Counsel provided legal services to the Debtor and incurred expenses since its employment totaling \$41,602.87. The fees and expenses incurred for the services represent actual, necessary services rendered by Counsel for the benefit of the Debtor's estate and his creditors during the Chapter 11 proceeding.

6. This Application covers the time period for Joyce W. Lindauer Attorney, PLLC from November 19, 2019 through April 16, 2020, plus limited time spent in preparation of this application. A detailed statement of the services performed by Joyce Lindauer and others who worked with her and for the Debtor and the estate during this period, together with the listing of persons who devoted time during this period, along with the billing rates of such individuals is attached hereto and incorporated as **Exhibit "A"**. These statements show the date that services were rendered, the nature of the services rendered, by whom such services were rendered, and

the time required for the performance of such services. During this period of time, Applicant has rendered professional services and incurred out-of-pocket expenses on behalf of the Debtor and the estate as follows:

	Hours Spent	Fees Billed	Expenses	Total
Attorneys and Staff	91.4	\$38,998.00	\$2,604.87	\$41,602.87

This Application seeks approval of all fees for services rendered and reimbursement of expenses incurred during the periods stated herein. The expenses are also detailed in the exhibits attached hereto.

7. The hourly rates specified in **Exhibit “A”** are reasonable, considering the nature of the services performed, and the experience of the persons rendering such service. Rates charged for expenses are reasonable, with photocopies at \$.20 per copy, faxes at \$.50 per page, and personal vehicle mileage at \$0.580 per mile for 2019 and \$0.575 for 2020, with all other expenses at their actual costs. Applicant was paid a retainer of \$11,717.00 by Ken Dougherty for the benefit of the Debtor, and of this amount \$1,751.34 was paid for filing fees. A voluntary discount of \$5,665.00 was also applied.

REQUEST FOR COMPENSATION

8. Pursuant to the decisions of the United States Court of Appeals for the Fifth Circuit in In re First Colonial Corp., 554 F.2d 1291 (5th Cir. 1977), and Johnson v. Georgia Highway Express, Inc., 488 F.2d 741 (5th Cir. 1974), Applicant requests the Court consider the following factors in determining the amount of compensation as reasonable for Applicant’s services in this case.

A. Time and Labor Required:

The Applicant has expended 91.4 hours during the stated period in performing services for the Debtor and the estate in connection with these proceedings. A significant amount of time in this case was spent responding to requests for documents and the taking of a deposition. Also, time was spent working on matters related to the claims being made by creditor Rocky Mountain Brands. Finally, a significant amount of time was spent in connection with the conversion hearing since this was done on the papers rather than in person. Counsel would estimate this added twice as much time to this process and was caused by the movant wanting to move forward with conversion of the case during the Covid-19 pandemic. While the Debtor and his counsel agreed to this process it did cause a lot more time to be incurred in drafting documents for the contested conversion hearing.

B. Novelty and Difficulty of Issues:

In the case, the work performed by the Applicant included, but was not limited to, assisting the Debtor in performing his duties, including working on the general administration of the case, preparing numerous pieces of correspondence, working on motions, defending Debtor in an adversary proceeding filed by Rocky Mountain High Brands, Inc. and defending Debtor in the state district court case filed by Rocky Mountain High Brands, Inc. which relates to the claims in the adversary proceeding.

C. The Requisite Skill to Perform Services Properly:

Applicant has the skill to complete the required tasks. Applicant is an experienced bankruptcy attorney. Joyce Lindauer has practiced in the area of bankruptcy law for over thirty-five years.

D. Preclusion from Other Employment:

Applicant's work for the estate consumed a significant portion of Applicant's time, as more fully described in this Application. The Applicant has been unable to specifically estimate the amount of business that it has been precluded from accepting because of its involvement in the case.

E. Customary Fees:

The Applicant is applying for compensation for fees and expenses that reflect customary billing rates in matters of this kind. The hourly rates charged for performing services are below the range of those customarily charged by many other law firms in the Dallas and Fort Worth metropolitan area and are below the rates being charged by many lawyers practicing bankruptcy law with far fewer years of experience.

F. Fee Fixed or Contingent:

The fees for the Applicant's services were calculated on an hourly basis for actual time spent on the cases.

G. Time Limitations Imposed by the Client and Other Circumstances:

There were no significant time limitations imposed in this case.

H. Experience, Reputation and Ability:

Applicant has worked in the area of bankruptcy law for many years and has extensive experience in this area. The above analysis and the narrative entries in **Exhibit "A"** demonstrate the services rendered by Applicant for the Debtor and the estate for which compensation is appropriate.

WHEREFORE, PREMISES CONSIDERED, the Applicant, Joyce W. Lindauer Attorney, PLLC, respectfully requests this Honorable Court to allow this Application in the sum

of \$41,602.87 in compensation for professional fees and expenses in connection with these proceedings during the Chapter 11 proceeding as an allowed administrative claim in this estate pursuant to 11 U.S.C. § 503(b)(1)(A) and §507(a)(1), less the retainer received and voluntary discount applied for a net allowance of \$24,220.87, and that Applicant have such other and further relief, in law or equity, to which it may show itself justly entitled.

Dated: May 20, 2020.

Respectfully submitted,

/s/ Joyce W. Lindauer
